

Tennis Club Programme - Starting 9th September

Starter Courses for Juniors:

Tennis For Kids (TFK) Ages 4-7 and 8-10. These will be added throughout the year.

This is an introductory course supplemented by the LTA for those new to Tennis who haven't previously signed onto a course at this club.

Mini Tennis Programme:

Courses designed for kids aged between 4 and 10. Courses utilise softer balls and a smaller court at red ball, progressing through a harder orange ball to a full size court and green ball.

The Mini Tennis programme allows the sport to be accessible to young children. The smaller courts and equipment, combined with lower-bouncing balls help to produce a platform for young people to get to grips with the game and develop a love for the sport.

Participants will be organised into an appropriate group for beginner/intermediate or advanced once they've been booked on and assessed.

Programme information:

As this is my first term in charge of the programme, I am proposing to do the first 2 half terms as separate courses to sign on to. The first block is 6 weeks, the second block up to Christmas is 8 weeks.

- The cost of the course is based on £5.50 for an hour session and £7.50 for an hour and a half. There is a 10% discount if you book a player on to 2 or more courses.
- If you sign up for a course after the course has started the price is calculated pro-rata.
- If you are coming for the first time you can just pay for that session, if you want to continue, you sign up for the course.
- All players registered on a course are requested to be members of the club otherwise there is a £2 non members fee for each session. Membership for the period up to 31/03/2020 is £11 for 5-11 year olds and £16 for 11-16 year olds. Please see club notice board for adult costs.
- You will be notified of cancellation via e-mail and text message using details on booking consent form. Any sessions cancelled by the Head Coach will be credited off the next renewal, or refunded if player leaves the programme.
- In the case of extreme weather you will be informed of cancellation with plenty of notice. If the session runs in poor weather and your player chooses not to attend, this will not be refunded. (I prefer not to cancel)
- Some courses are subject to minimum number of players, if low interest then a suitable alternative will be offered.
